## ④ Meeting Hub

Meet and network with other attendees in the Meeting Hub, which can be reached by pressing the green AIRtouch button. Schedule meetings or talk with other attendees who are online using a powerful filtering tool based on attendee profile information.

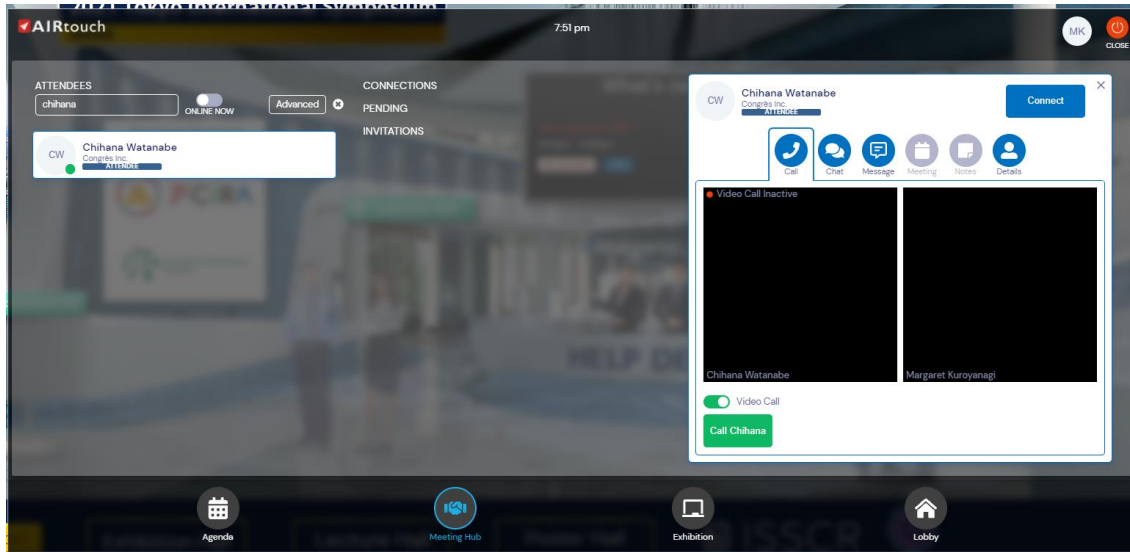

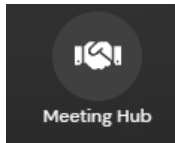

The screenshot shows the AIRtouch Meeting Hub interface. At the top left, the AIRtouch logo is visible. The time 7:18 pm is displayed in the center. On the top right, there are buttons for "MK" and "CLOSE".

The interface is divided into several sections:

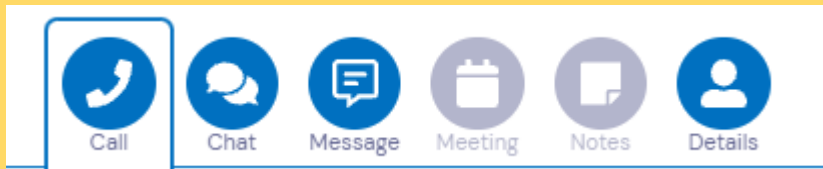

- ATTENDEES:** A list of attendees with a search filter "Filter on name or organization" and an "ONLINE NOW" toggle. The list includes entries for "A ATTENDEE", "AA ATTENDEE", "CA ATTENDEE", "HA ATTENDEE", "KA COMPANY", "KA ATTENDEE STAFF", and "KA Ken A".
- CONNECTIONS:** A section with sub-sections for "PENDING" and "INVITATIONS". A yellow callout box states: "Attendees you have connected with on the meeting hub will appear here."
- MEETING HUB:** A central area with instructions: "Click on another attendee to connect with them." and "Once you're connected, you can engage in live chat, calls, schedule meetings, send messages and make notes." It also mentions: "The contact details and your notes can be exported via the Export Tool next to your Profile button at the top right." A yellow callout box states: "Use the Do Not Disturb button if you are busy and do not want to be contacted by attendees."
- Bottom Bar:** Contains icons for "Agenda", "Meeting Hub" (highlighted in blue), "Exhibition", and "Lobby".

At the bottom right, there is a "Sumitomo Dainippon Pharma" logo and a "Do Not Disturb" notification: "No further events today" and "DND" (Do Not Disturb) toggle is turned on. The notification text reads: "Do Not Disturb. You will not receive calls, chats or messages from other attendees."
