- 6 : 00- Doors open
- 6 : 30- Welcome remarks  
*“Life Science Innovation in United States :  
 The update and future”*  
**Mr. Joseph Panetta (Biocom, CA)**  
*“Algorithm Aim to Accelerate Drug Discovery”*  
**Mr. Andrew A. Radin (twoXAR, CA)**
- 7 : 30- Networking Reception

**Profile**

**Mr. Joseph Panetta**

Biocom President & CEO and Member, Biocom Board of Directors  
 As the leading advocate for the life science industry in California, President and CEO Mr. Joe Panetta guides a robust organization of nearly 1200 members, setting strategic direction, guiding policy priorities, and championing the biopharmaceutical industry at the local, state, national, and international level. He holds a Bachelor of Science degree in biology from LeMoyne College, and a Master of Public Health degree in industrial and environmental health from the University of Pittsburgh. He is a graduate of the Brookings Institution Program for Executives and the Harvard Program on Negotiation.

**Mr. Andrew A. Radin**

twoXAR CEO & Co-Founder  
 Prior to co-founding twoXAR, Mr. Andrew A. Radin held Chief Technology Officer roles at several early stage companies where he managed teams as large as a hundred technologists distributed around the world. He developed the company's proprietary algorithm and as Chief Executive Officer is focused on overall company strategy, product development and fundraising. Mr. Radin studied biomedical informatics in Stanford University's SCPD graduate program and holds Master of Science and Bachelor of Science degrees in computer science from Rochester Institute of Technology.
