LINK-J Networking Reception
UCLA Health:
Partnering with Industry to Advance Healthcare
〜ヘルスケア推進に向けたUCLAと産業界の連携〜

UCLA Health is visiting to expand relationships and partner with healthcare industry organizations and academic organizations. With the launch of their Bio-design program, the goal is to develop more robust relationships that will enable all parties to develop healthcare innovations through close mentorship and partnership. UCLA Health is consistently recognized as one of the top ten medical centers by US News and World Report and is known for its culture of innovation.
UCLAの取組みや、産学連携にご関心のある方などのご参加をお待ちしております。

日時 **2019年5月16日(木) 17:00〜19:30**
（受付開始16:30）※同時通訳なし

Profile

Kazunori Kataoka, Ph.D.

Director General of Innovation Center of NanoMedicine (iCONM), Kawasaki Institute of Industry Promotion / Professor at Institute for Future Initiatives, The University of Tokyo

Dr. Kazunori Kataoka received his Ph.D. (1979) in Polymer Chemistry from the University of Tokyo. He has held professorships at Tokyo Women's Medical College, Tokyo University of Science and the University of Tokyo. In 2016, he moved to his current professorship at the Institute for Future Initiative, the University of Tokyo. He has received several scientific awards in Japan, USA and Germany including the Award of the Society of Polymer Science, Japan (2000). He has been elected as a foreign member of the US National Academy of Engineering (NAE).

Johnese Spisso, MPA

President, UCLA Health CEO, UCLA Hospital System Associate Vice Chancellor, UCLA Health Sciences

Johnese Spisso was appointed to the position of President of UCLA Health, CEO of UCLA Hospital System and Associate Vice Chancellor of UCLA Health Sciences on February 8, 2016. She is a nationally recognized academic healthcare leader with more than 30 years of experience, and oversees all operations of UCLA's hospitals and clinics as well as the health system's regional outreach strategy.

Desert Horse-Grant

Sr. Director, Research and Innovation UCLA Health / DGSOM

Desert Horse-Grant is the senior director of research and innovation for UCLA Health and the David Geffen School of Medicine at UCLA. In this role, she provides an organizational bridge that supports transformational initiatives focused on research innovation and commercialization. Before her UCLA position, Desert directed Strategy & Operations for Seattle Translational Tumor Research (STTR), a multi-institute, multidisciplinary initiative centered at Fred Hutchinson Cancer Research Center (FHCRC), and across UW Medicine, Seattle Cancer Care Alliance and Seattle Children's Hospital.
