

ROADSHOW

SEE THE FULL PICTURE WITH

AVITI 24™

SHIFT  
YOUR SCIENCE

Discover how the AVITI24™ is transforming complex biology into clear, actionable insights. We'll dive into a new era of multiomics with smarter tools, deeper insights, and seamless scalability—all in one powerful platform.

After the short presentation, stay for happy hour to ask deeper questions and spark new collaborations. Everyone will walk away with an Element swag bag and one lucky attendee will win a special gift!
